Hello Ray:

Greetings from the Space Foundation.

I am pleased to present you with the enclosed Space Certification Program certificate further recognizing Petroleum Remediation Products as a Certified Space Technology.

All of us at the Space Foundation are pleased to have UniRem as an active program partner and to see you enjoying the benefits that certification distinction offers.

Congratulations once again on your Space Technology Hall of Fame and Space Certification recognition achievements. We look forward to a long and mutually successful relationship.

Best regards,

Kevin C. Cook
Director, Space Awareness Programs
